

CAFE/BAR MANAGER JOB DESCRIPTION

Makerversity has recently launched 'The Paint Room', a new bar in the basement of Somerset House. We're now looking for a bar manager with experience and enthusiasm to set up, run and grow a successful cafe and bar offer for our members and Somerset House Studios residents.

We are all about experimentation and are looking for someone who is not scared of the challenge - a driven person who is excited about testing ideas, trying new menus with plenty of freedom and the support of the Makerversity team. This person will have to be a people's person who enjoys customer facing roles and is able to manage staff when needed.

Working hours:

Starting at 24 hours a week

Responsibilities:

- Setting up and launching our cafe/bar
- Experimenting with bar offers, menus and drinks
- Owning the operational budget,
- Cash handling, float management and daily till reconciliation
- Ensuring we're up to date with licensing, legislation and health and safety
- Opening and closing the cafe/bar
- Staffing the bar
- Managing and booking events in the bar
- Keeping the bar well stocked and owning relationships with stockists and suppliers
- Working with members to curate events

Experience and skill set:

- Experience working in a bar
- Strong customer service
- Enthusiast
- Not scared of trying new things
- Forward facing 'host personality'
- Numerical accuracy

What we offer you:

- £25,000 - £28,000
- 25 days holiday pro rata, (plus bank holidays)
- Training and development opportunities
- Team away days
- MakersUniversity membership including access to all workshops and machines for your own projects

Application deadline:

01 June 2018, midnight

Application details:

To apply please send your CV and a short cover letter to jobs@makersiversity.org.

Please include 'Bar Manager' in the subject and detail your availability to start work.
